WHAT A WHOPPER!

Charlotte McKinney lets one of her beef patties slip out

OH NO! It looks like hamburger hottie Charlotte McKinney couldn't figure out how the buttons on her cardigan worked and had a tragic NIP SLIP.

The 25-year-old model and actor, who rose to prominence with her 'naked' burger commercial during that big Seppo footy game a few years ago, was on a modelling assignment in LA when those BASTARD BUTTONS got her all flummoxed.

Next thing ya know, Mr Nubbin was poppin' out to say "hello!"

Tipped by some to be the new Kate Upton, Chaz certainly has the credentials to back it up.

And by credentials, we mean REALLY BIG TITS – F-cup, if you must know.

Taking them into consideration, now that Kate doesn't seem to be around much anymore we're happy to see Chaz coming off the reserves bench to get into the game.

MIGHTY MEL

All hail Melissa Debling, queen of everything

FOR around 10 years, Melissa Debling has been evolving into one of the hottest Pommy models ever to walk this crusty little rock we call Earth.

From her double F-cup fuck pillows to her perfect, you-could-eat-your-dinner off it arse – everything about Mel is designed to make you

TYL!

MIGHTY

yell YIPPEE!

So fucken YIPPEE, eh readers?

Now at the ripe old age of 30, Mel is still hotter than that $10 iPhone you bought in the pub carpark, and she shows no signs of cooling down.

If you wanna get all scientifical, we'd have a guess and say she's probably the main cause of global warming, not all that BEAUT AUSSIE COAL.

You may not have known that her name means "honey bee" in Greek, and the ORIGINAL Melissa was one of the sexy mythological chicks who, legend has it, fed top Greek god fella Zeus when he was just a bub.

Unfortunately, not milk from her TASTY TITTIES, but – she gave him gobfuls of honey.

Oh well. You can't win 'em all.

SAN FRANCISCO!

Seppo porn star Ella Knox knows that fruit is one of the conerstones of a good diet, so she's offering a selection – apple, orange or nork? They're all nice and juicy!

SPLIT!

Latvian norks-out model Sabine Jemeljanova was in the classy 2012 horror flick *Strippers vs Werewolves*. And guess what, readers? She didn't play a werewolf.

MALTA!

While on holiday in Malta Seppo Alison Angel likes to keep up with the news the old-school way, by reading the papers over a nourishing breakfast of Maltesers.

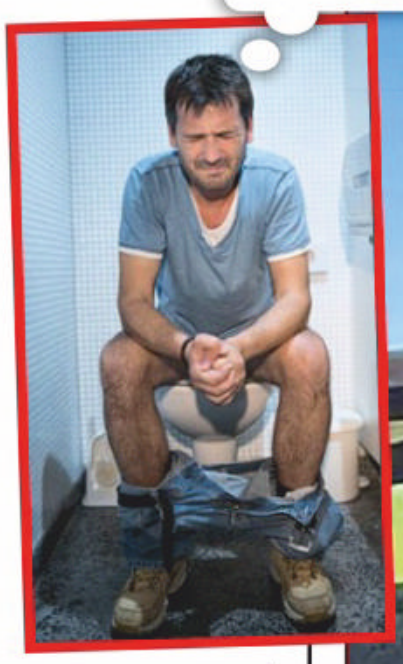
IBIZA!

Lacey Banghard is one of the best-known topless models in the UK, which is why she she has to hide in the back of a van. Or else she owes someone money. Your call.

NEWS FLASH

THIS SHIT REALLY HAPPENED!

HOT TO TROT



A YOUNG Canadian driver came up with one of the best excuses for fangin' it we've ever heard. Pulled over in Manitoba for doing 170kph in a 100 zone, the crafty Canuck said his excuse for putting on the AFTERBURNERS was that he'd eaten too many spicy chicken wings and was racing to find a BRASCO to unload. It didn't wash with the cops, but – the itchy-arsed culprit was fined $966 for speeding and $203 for driving unsupervised. What's the bet he really DID shit himself then!

Good Scottish fun!

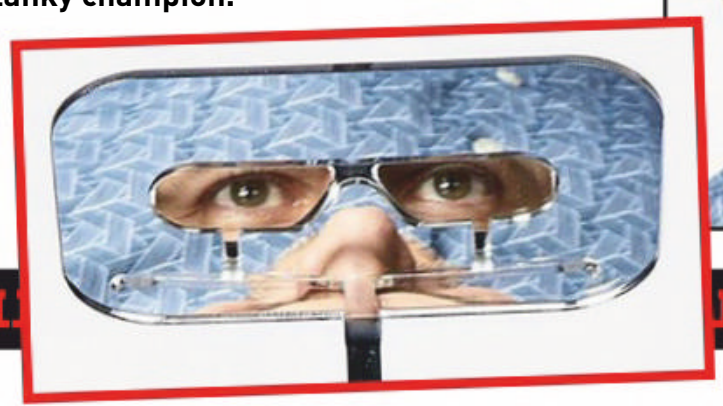
SIZE MATTERS

IT MUST have been a slow day in Brechin, Scotland – why else would Zoe Archibald, 34, cram herself into a kiddie's toy plastic car at a family get-together and get so wedged in there she wound up having to be CUT OUT OF IT. Maybe there was whisky involved. We dunno, but it took 15 minutes of hacking at the car with a bread knife to get her out, while the rest of the family filmed it on their phones and McCACKED THEMSELVES. The car's owner wouldn't have been impressed, but what's the kid gunna do – get a lawyer and sue her?

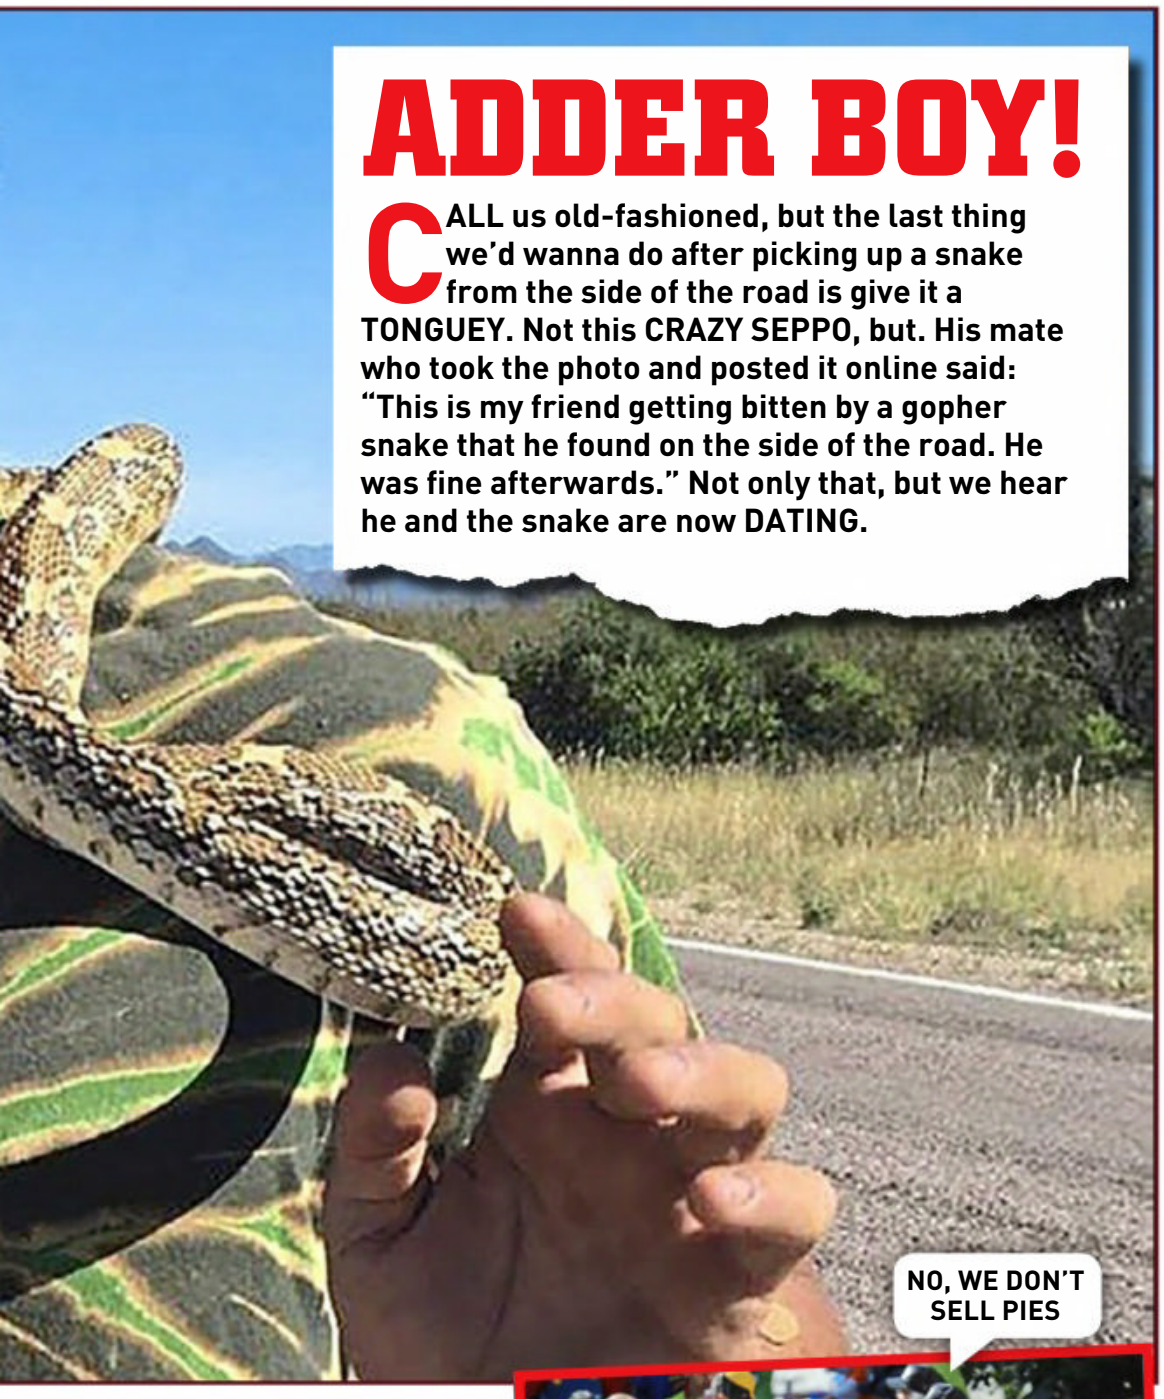
KISS MY ASP!

TALL STORY

SHORT-arses rejoice – now you don't have to stare at someone's shoulder blades when at a concert, sporting event or PUBLIC HANGING. Pommy artist and designer Dominic Wilcox has come up with these glasses which are basically a pair of periscopes that let you to see over the heads of people in front of you. "I was at a gig and saw a small woman dancing away but unable to see the band. This gave me the inspiration to design a way for people to see over obstacles such as tall people like me," said the philanthropic and lanky champion.



ADDER BOY!



CALL us old-fashioned, but the last thing we'd wanna do after picking up a snake from the side of the road is give it a TONGUEY. Not this CRAZY SEPPO, but. His mate who took the photo and posted it online said: "This is my friend getting bitten by a gopher snake that he found on the side of the road. He was fine afterwards." Not only that, but we hear he and the snake are now DATING.

DRINK 'N' RUN

THE Belgians have taken the pain out of running STUPID MARATHONS by combining them with BEER. The Beer Lovers' Marathon in the city of Liege is run every year over the usual 42km course, but instead of handing out water along the way they have 15 BEER STATIONS, runners are encouraged to dress up in WACKY COSTUMES, and you can take up to six-and-a-half hours to finish, after which you can kick back with a few coldies.

ESKY OF DEATH

WHEN ya gotta go, ya may as well go in style – and boxed up in this VB coffin beer chiller, built by cool-room hire company KC Hire of Melbourne. We figure it works like this – when you know your time is nigh, you fill it full of cans, get your mates around to drink it, and when it's empty you climb in and DIE. Then they have the funeral, chuck you out to be cremated and refill it for the wake.

WE DREW A COCK ON IT #346

CHU CHAMP

It ain't over 'til the fat guy wins

IF YOU thought being a sporting hero was all about washboard abs, low heart rate and flexy pecs, think again.

The new world heavyweight boxing champion is the flab-tastic Mexican Andy Ruiz Jnr, who loves a Snickers between rounds and weighs 121kg.

So here's a bunch of other winners from a wide range of sports who prove that having a spare tyre is no barrier to kicking arse. ■ Picture

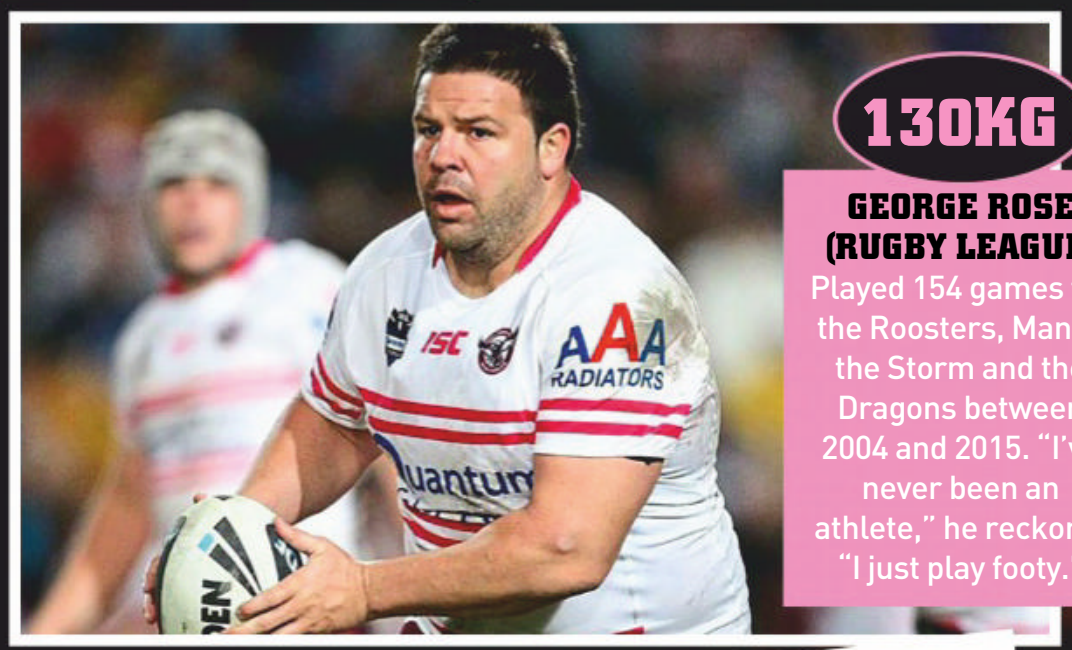
JOHN DALEY (GOLF)

The 1991 PGA Championship champion and 1995 British Open champion could hit a golf ball 300 metres, and chug a bottle of whisky in a session.



130KG

The 2004 World Champion was in the habit of downing an entire slab of beer before a match, until he gave up the piss 'cos his liver was shot.

BBY PIONS!

DIEGO MARADONA (SOCCER)

Star of Argentina's 1986 World Cup-winning team, Maradona's 100kg doesn't sound that heavy, but as he was only 1.65m tall, he was pretty much a sphere.

FLASH FEST!

Public nudity is a rude new trend

OH WAITER! OVER HERE!

IT'S AN OUTRAGE!

SINCE reporting on this unique new craze of women flashing their bits in public back in #1480, we've been FLOODED with pics of CHAMPION CHICKS slipping out their SUCKBAGS or flashing their FLANGE in CURIOUS places.

We've seen women walking their dogs at the park REVEAL THEIR RUG, POP OUT A PUMPKIN in the veggie aisle at Coles and babes at the beach BUST OUT THEIR BOOZIES brazenly.

Public nudity is something THE PICTURE will always endorse, although we'd just prefer if it happened somewhere local, with comfortable seating and a full bar.

But hey, that's just us. ■ Picture

THAT'S FERAL

Bloke saves wildlife by massacring moggies!

BARRY Green may have killed around 1500 cats on South Australia's Kangaroo Island, but he's adamant he doesn't hate all moggies.

He just wants to help wipe out the feral fuckers who are chomping their way through the local wildlife.

Baz has been trapping and shooting cats, and recording their details for the local conservationist society, since he moved there in 1996.

He skins 'em, tans the hides and turns the pelts into useful items such as stubby holders, golf club covers and purses. He's even got a beaut cat skin hat-and-coat ensemble sewn by his missus.

"I'm just doing my bit,' he reckons. "They're an introduced species. The scientists say they shouldn't be there.

"People say, 'Do you hate cats?' I don't hate cats. Just the feral ones."

PUSSY SLAYER!

FRANKEN-SNAIL

Monster mollusc banned from Oz!

IT'S a case of you can escar-go-fuck-yourself. Australia has said no thanks to the African land snail, banning the crawly pricks even as entrepreneurs in Nigeria are starting to export them as wacky pets, or as food.

The slimy bastards spread parasites and eat fucken EVERYTHING planty – fruit, veggies, grass, you name it. If it's a plant, they'll chomp it.

They grow up to 20cm long and can live for 10 years, churning out MILLIONS of snail babies, which means they can give cane toads a – admittedly SLOW – run for their money.

There have already been a few found in Oz, probably arriving in shipping containers from Africa.

The latest trendy idea is to harvest their slime for use in cosmetics, but ladies, remember your bloke's spoof is a far better skin conditioner.

All you have to do is ask nicely. ■ Picture

LINDSAY LOHAN!

Lindsay's so fair her lub-lubs could get sunburn from a FRIDGE LIGHT. But we'd happily apply the lotion.

ELLE MACPHERSON

Perving on Oz's top model's tits is like watching Australia beat England at sport: we never get sick of seeing it.

EMILY RATAJKOWSKI

There's nothing BLURRED about the sexy Seppo model/actor's awesome orbs. C'mon, Em – you know we want it!

MORE BEACH BAZOOKAS!

NATALIE PORTMAN

The *Star Wars* star with the sun-burnt norks looks like she's dreaming about your BIG PINK LIGHT SABER.

Gia Derza prefers you take the backdoor

TY EN

THERE are heaps of beaut arses knocking about, but we reckon porn star Gia Derza has one of the beautest. It's big, it's round and it could probably double as a pie-warmer. But the absolute BESTEST thing about her bum is that she wants blokes to root it.

Here the 20-year-old recalls one such time with big-dicked porn star Chris Strokes in the stick flick Slut Puppies 12.

"He has a really long dick to be going in my arsehole," Gia says. "And I've never had that big of a dick in my arse before. I had done anal three times before that. I just threw myself into anal. I just totally went for it."

You're an all or nothing type gal, eh Gia?

"I never thought that I'd be good at anal. And I never thought that I would be here. I really didn't believe in myself."

What a bit of lube and self-belief can do.

"I loved porn so much and I wanted it to be like this but I never thought that I could make it this far. I've been so in love with porn ever since I can remember."

Pint-sized prossie is America's highest paid hooker

ALICE Little reckons she's the best paid sex worker in the US of A.

The Irish-born, Leprechaun-sized prossie claims to pull in a cool million buckeroonies a year working at world-famous knock-shop the Moonlite Bunny Ranch in Carson City, Nevada, just outside Las Vegas.

As well as charging US$2000 for a crack at her pot o' gold – and that's just the starting price, no extras – the 142cm-tall mini-ginger also works as a sex educator, sex toy reviewer and writer.

"Everyone has their preconceived notions of what a sex worker looks, sounds and acts like,"' she reckons.

"But I don't fit any of those stereotypes. I'm well-educated and well-spoken. I CHOSE to be a sex worker."

And she reckons her favourite bookings are having THREESOMES with cashed-up couples.

"I get to help people rediscover personal connections and intimacy. I love working with couples because of the special chemistry that already exists."

BULLSEYE!

EVER heard that expression "tear him a new one"? This bull sure had, and decided he'd give it a go at the Las Ventas bullfighting arena in Madrid, Spain, the other day. Probably figuring he was gunna end up on the menu as steak later on anyway, he was determined to go out in a blaze of glory by drilling one of his horns up the TIGHTLY CLENCHED ARSE of French matador Juan Leal. Well, why not? The bloke was just asking for it, making a pest of himself prancing around in his spangly duds and waving his stupid cape in the bovine champion's face. So ol' mate bully charged in and gave Juan one to remember – scoring a HOLE IN JUAN, you might say. The poor bloke was carted off to hospital, where the doctors performed some emergency arse surgery. While training as a bullfighter apparently Juan worked as a pizza delivery man, which might seem like a safer gig from now on. Nobody ever got arse-fucked by a 12-inch supreme. Oh... wait...

...AND DON'T BE A WUSS

OUCH FACTOR 100%

WHO: British FORMER world heavyweight boxing champion Anthony Joshua, EX-holder of the IBF, WBA, WBO and IBO titles.

WHAT: He lost the lot to a chubby Mexican-American who trains on Snickers bars.

WHERE: Madison Square Gardens, New York.

WELL, how embarrassing is that. The trim, taut and toned Joshua lost all his titles in one go to a baby-faced Mexican-American with a big gut named Andy Ruiz Jnr – nickname 'Beachball' – who only stepped up for the bout after Joshua's original opponent Jarrell Miller was ruled out for a positive drug test six weeks before the fight.

The flab-tastic Ruiz was considered no chance, but he put Joshua on the canvas four times before the referee stopped the fight in the seventh round and gave it to Ruiz on a TKO, raising the big fella's pudgy paw in triumph.

It was supposedly the biggest upset in boxing history, and Joshua's first professional loss in 21 fights. And him being talked up as the hottest heavyweight for a decade. Ain't his face red!

Joshua didn't even seem all that hurt, just really embarrassed, and kinda puzzled as to how he let all those nice shiny belts slip through his fingers.

Josh, mate, GET UP YA SOOK, and suck it up. Nobody likes a whinging ex-champion. ■ Picture

Q. WHAT DO YOU CALL A DOG WITH NO LEGS?

A CUCUMBER, gherkin and cock are sitting around discussing how fucked their lives are.

"My life sucks," said the cucumber. "When I get big and fat they cut me to pieces and chuck me in a salad."

"That's nothing," said the gherkin. "When I get big and fat they squash me in a jar with the rest of my family and cover me in vinegar."

"You two are living on easy street," said the cock. "When I get big and fat they pull a plastic bag over my head, stick me in a dark, damp room and bang my head against the wall until I throw up and pass out."

"You're a goblin," she screamed. "I caught you and now you owe me three wishes!"

"OK, you caught me fair and square, what are your wishes?" asked the strange little man.

"I want a huge mansion, a Mercedes and a million dollars!" said the blonde.

"OK, you've got it," said the strange little man. "But to make your wishes come true you have to have sex with me all day and night."

"OK then, if that's what it takes," said the blonde.

Next morning the little man woke the blonde up and asked, "How old are you?"

"I'm 27", she replied.

"Fuck me", says the man. "Twenty-seven and you still believe in goblins!"

Bob replied, "Girlfriend? She's my wife!"

They were floored. "So, how'd you persuade her to marry you?"

"I lied about my age," Bob replied.

"What, did you tell her you were only 50?"

Bob smiled and said, "No, I told her I was 90."

JOKE OF THE WEEK
WINS $100

A WOMAN was sitting at a bar drowning her sorrows when a sad-looking bloke sat down near her and started chucking back vodka shots.

After an hour of this, the bloke turned to the woman and asked, "What are you drinking to forget?"

"My husband just left me because he thought I was too kinky," she answered.

"Really?" he said. "What a co-incidence. My wife just left me because she thought I was too kinky!"

"Hey listen, we're both adults here, and it looks like we might have a little something in common," the woman giggled. "Why don't we go back to my place and see what happens?"

When they got back to her place, she said, "Wait here, I'm going to change into something a little more comfortable."

She disappeared to the bedroom and chucked on some fuck-me boots, a leather miniskirt, a rubber bra with the nipples cut out, a dog collar and a gimp mask, then sauntered back into the living room twirling a riding crop.

The bloke grabbed his coat and bolted for the door.

"Where are you going?" she asked. "I thought we were going to get kinky?"

"Hey," he said. "I've already shagged your dog and crapped in your purse... I'm outta here!"

"Good," replied the man. "Give me a VB, and the croc will have a pollie."

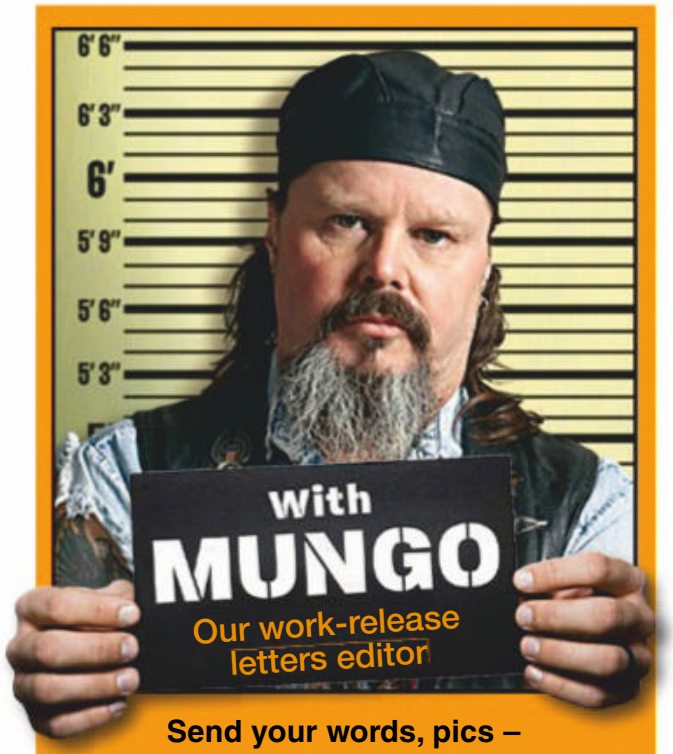
Q. HOW MANY POLLIES DOES IT TAKE TO CHANGE A LIGHTBULB?
A. NONE, THEY'RE COMFORTABLE KEEPING YOU IN THE DARK.

One night in a dark alley, a mugger jumped into the path of a well-dressed man and stuck a gun in his ribs.
"Give me your money!" he demanded.
Indignant, the rich man replied, "You can't do this - I'm a Member of Parliament!"
"In that case," replied the robber. "Give me MY money!"

Q. WHAT'S THE DIFFERENCE BETWEEN A POLITICIAN AND A FLYING PIG?
A. THE LETTER 'F'.

READERS' WORLD

GO AHEAD, HAVE A MOAN!



Send your words, pics – WHATEVER – to Mungo at Readers' World c/o THE PICTURE, PO Box 4088, Sydney, NSW 2000, or email the big fella at mungo@bauer-media.com.au

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

ROYAL RUMBLE

MY NEXT door neighbour just delivered the latest copy of *New Idea* – I wouldn't buy the shit myself but the front page has a fantastic pic, don't you think? Is Meg saying goodbye to the nanny or just a friendly hello to her newly acquired family? Over to you and the readers

B.B., KANGAROO FLAT, VIC

MUNGO SAYS: Well, she's a Seppo, and you know how Seppos love to give people the finger. Either that or she's just picked her nose and is about to flick it at Donald Trump. I reckon they must love Megs up the palace, especially when she gets on the cans.

RED ALERT

I RECKON your Home Girl Imogene in #1484 looks a lot like that spunky Aussie actress in the bank ads, Isla Fisher. Redheads always do it for me so I think they're both hot.

C.M., MARSFIELD, NSW

MUNGO SAYS: I reckon that Isla Fisher is as mad as a cut snake. I like her. I think we'd get along. I also like Imogene – not that I know her, but now that I've seen her naked I think I'd like to. So I heartily endorse your selection of these two crimson hotties as Clones. I'd like to take them both out and buy them copious amounts of girl-drinks and watch them fight over me.

BLESSED BE THE BEER MAKERS

MUNGO, I would like to ask you to delve into your great store of knowledge and tell me why it is religion reckons we have to suffer through life? When does the fun bit kick in?

K.L., MACKAY, QLD

MUNGO SAYS: That's pretty deep. My view is, drink it when it's cold, 'cos it may not be cold in an hour. And if heaven is 72 virgins, how ya gunna find some chick who can give you a decent blowie? You see what I'm saying? Dead set, I should put this stuff in a book.

LETTER OF THE WEEK

WINS $200

EVERY LETTER PRINTED WINS $50

LETTER WITH A PICTURE WINS $100

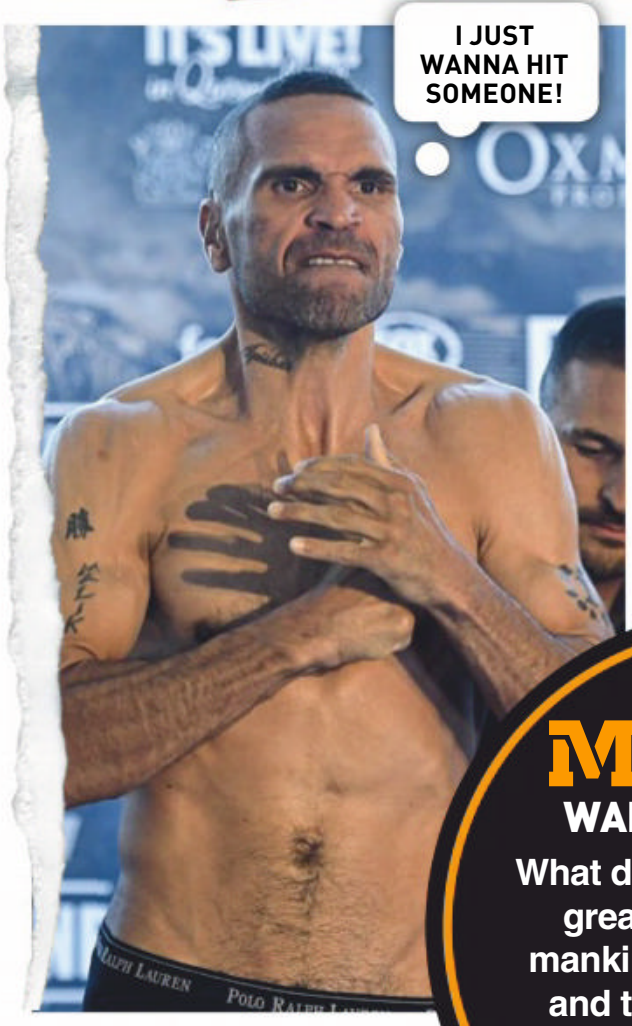
WHAT WILL THEY THINK OF NEXT?

WHEN I read the bit in the last issue about the Pommy Page 3 girls I realised how much they had contributed to my life over the years, 'cos heaps of them have ended up in THE PICTURE as well. And as you pointed out the great Jo Guest was your letter answerer for a while. What a great concept, topless babes on page three of a newspaper. That and the 30-can slab I regard as the greatest ideas of the last hundred years.

R.P., DENILIQUIN, NSW

MUNGO SAYS: It's one of life's mysteries why the Poms got rid of Page 3 babes. It was their greatest contribution to civilisation since fish and chips. And the 30 can slab – what kind of genius looks at a 24-can slab and thinks: "What if it had six more cans?" That's Einstein territory!

Please, a Nobel prize at least



WHAT'S UP, CHOC?

RE YOUR Mungo Wants To Know question in #1484, I think Anthony Mundine is the biggest dickhead in Australia, the reason is that the fuck-knuckle has lined up a fight in November against Tim Tszyu. This guy is suffering complete brain damage. Hands-down dickhead.

S.O., ABERGLASSLYN, NSW

MUNGO SAYS: Ease up. Besides being a multiple world champion, Choc Mundine is also a national hero. I know that because he told us so. And he wouldn't lie. Because he's a national hero. I didn't know he was having another stoush, but. Are you sure? I thought he had his eye on the prime minister's job. Nah, you're crazy. I'll believe this is happening when I see i with my own bleary, bloodshot eyes four hours into an overpriced pay-per-view fight night broadcast.

MUNGO WANTS TO KNOW...

What do you reckon are the greatest inventions of mankind? Beer is a given, and the Chevy slant-six obviously, but apart from that? Dosh for the best letters.

IN BED WITH KIKI

THE ROOT PROBLEM

I'VE just started dating this chick who's a stripper. She's cool and I'm fine with blokes checking her out when she's working, in fact it's kind of sexy. But my mates tell me that most strippers are also hookers and that my missus definitely has been paid to root blokes before – is this true?

SCOTTY, GOLD COAST, QLD

***KIKI SAYS:* To be honest, titty waitresses hate being called strippers, strippers hate being called escorts, and escorts hate guys that want sex for free. Every guy loves the fantasy of going home with a stripper. Unfortunately, that's all it is – a fantasy.**

BACK ROW BLOW

HEY chick, I got a few free Hoyts tickets if ya wanna come with me? Maybe I can cop a blowie in the back row – whaddya reckon?

BLUE, BELCONNEN, ACT

***KIKI SAYS:* Bluey, you're kidding yourself if you think you could get me or any other girl to give you a blowie for a set of Hoyts tickets! Maybe you should put your offer on gumtree and let me know if I'm wrong.**

LITTLE TROUBLE

KIKI, I've got a little pecker and I know it, I'm not ashamed. I've got the stamina of a rabbit on Viagra so I'm not bothered. But what are some good possies for tiny-dicked blokes?

DEANO, PERTH, WA

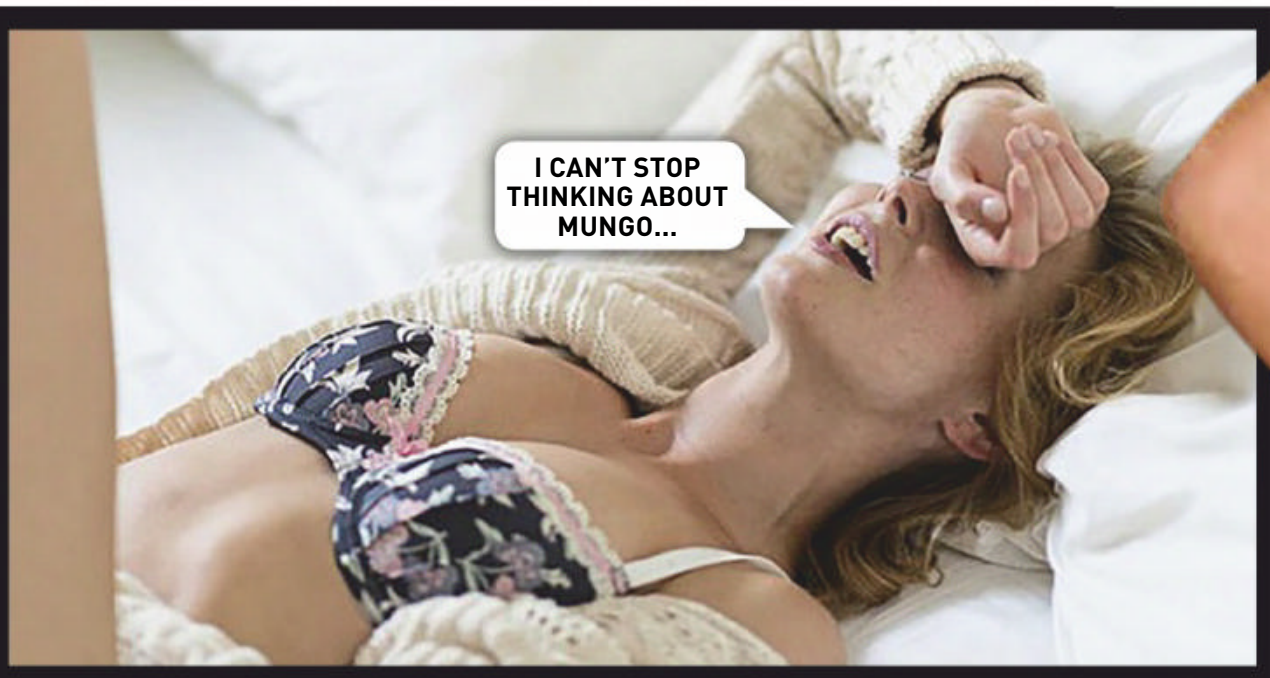
***KIKI SAYS:* My grandma always told me that sausage dicks might hit the G-spot, but cheerio dicks hit the O-spot. Nan is right- the little ones have amazing skills eating pussy. And they can go deep doggy-style without it feeling like a wall is being hit.**

MAN UP!

A CHICK mate of mine has started dating this bloke who's a massive fucken gimp. Like, he's a submissive little bitch. She makes him pay for everything, treats him like dirt, and even makes him kiss her feet in public. I couldn't really give a shit, but he's a real nice bloke when you chat to him, so I just wonder if maybe that's all he knows? But shit doesn't have to be that way. I'm sure she fucks him real good, though. Should I say something?

MITCH, MELBOURNE, VIC

***KIKI SAYS:* Maybe he is a gimp and your friend is his mistress. When you go over to their place next, look for any clues like candles, black PVC leather, bondage rope, a chicken, or a car battery. I'm sure he knows the safe word if he wants to exit.**



KIKI WANTS TO KNOW!

"I want to ask a question now! Occasionally I'll rub one out just because I'm bored. But sometimes I'm bored a lot and I just keep going, masturbating five or six times in just a few hours. My poor pussy gets so swollen, I can't play with her for a day or two afterwards. Does this happen to anyone else too?"

FLIRT 'N' SQUIRT

I'M a 24-year-old woman and have finally come to terms with the fact I'm a squirter. I've always squirted but been embarrassed about it. Now I'm more comfortable, but I still wonder should I warn my partner before I squirt? I know some people think it's gross, but I can't help it. Have you squirted before?

LULU, SYDNEY, NSW

***KIKI SAYS:* Lulu, have you heard that saying 'mystery keeps the spark alive'? Well darling, you have a secret that will keep the spark alive for everyone you meet. If they can't take you as you are, they do not deserve you. I've only ever been able to squirt once, so I'm pretty jealous! Squirt away, honey!**

SIZE MATTERS

I SAW you in Melbourne a few years back and couldn't believe how hot you were. You still look amazing! Anyway, I worry about the size of my cock. What's a good size to you? Mine is about 15cm – but when I look at your pics it gets a little bigger.

REX, VIA EMAIL

***KIKI SAYS:* Worrying about the size of your cock is as useful as me worrying about the size of my tits. Sure, bigger might be better, but then there's too big! I've turned down studs with big shlongs as I like to keep my muffin intact, if you know what I mean. And 15cm is normal, so what are you complaining about?**

PRIME POSITION

DO LADIES usually prefer it when a gentleman works his way through five or six positions during a sexual encounter, or when he sticks to one or two?

PETE, VIA EMAIL

***KIKI SAYS:* Can you make your lovers cum in ALL of these positions? If the answer is no, then stick with the positions you're best at. Don't be a jack of all trades and master of none – at least nail something. However, if you're making all these ladies cum in all five or six positions then I think we need to meet!**

KIKI WANTS TO HEAR FROM YOU!

Do you have a question only a SEXPERT like Kiki can answer? Do you want some advice on women in general? Or do you just want to ask about her XXX-rated sex life? YEAH? Then write to In Bed With Kiki, c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000, or send an email to picture@bauer-media.com.au. She's waiting!

HAPPY CAMPER!

Taylor will have you pitching a tent

TAYLOR IS FUCKING IN-TENTS!

"I LOVE TO FUCK!"

SOME chicks fantasise about rooting outdoors. The more adventurous ones actually do it a few times. And then there are the special few who go camping just so they can BONK all night under the stars.

Yep, we're talking about Texan porn star Taylor, whose appetite for sex is bigger than Australia's national debt.

"I love to fuck! I've always been very open about that," she laughed. "And there's nothing better than having sex outdoors where you could always get caught."

Blokes would pay to watch you!

"I got caught doing it on the beach. I was covered in sand afterwards which was a bit annoying. You definitely have to go for a swim afterwards."

Do you ever get recognised as a porn star?

"No, very rarely. I've got such an innocent look about me that people would never expect me to do porn. I'm not all that innocent, though. You would know this if you've seen my photos."

"UNDERWEAR IS OVERRATED"

How did you get into it?

"I took some nude photos of myself and sent them into photographers in LA and the next thing I knew I was doing it as my job. I've done lots of magazines and movies."

Are those norks of yours the real deal?

"Yep. I'm a very natural and down to earth girl. I hate dressing up and wearing high heels. My idea of a good time is relaxing in nature, taking off my clothes and having some fun."

We're not stopping ya. Do you ever go commando in public?

"All the time. Underwear is overrated. It's much easier just not to wear any."

What's the strangest thing a fella's asked you to do?

"I've been lucky not to have any really weird boyfriends, although I have met some guys who are really into my feet."

What else should we know about you?

"I dunno, girls are really sexy. I'm really into girls."

Hey, us too! We'll get along just fine, Taylor. Picture

MY MESSY FUCK

READER'S ROOTS FROM AROUND OZ

I SCREAM!

I WAS with a new boyfriend and we were in that phase when you just want to fuck all the time, so I was pretty much up for anything he suggested.

We did all sorts of shit, like tying me up and wearing crazy costumes, but none of it really pushed my buttons until we got into messy sex involving lots of food and other slippery substances.

It all started when we were at home one summer arvo having a few wines and I decided I needed some ice-cream to cool off. But instead of just bunging some in a bowl and eating it I started dribbling it down between my tits.

It felt great so I heaped on a few more spoonfuls of raspberry ripple, and the next thing I know my boyfriend is burying his head in there and slurping the ice-cream off my boobs and sucking my nipple as it melted.

Of course I'm loving this, and it gave me a great idea. So I scooped up a big spoonful and smooshed it into my smoo, which is rapidly getting messy all on its own.

Once I'd mashed the ice-cream into my pussy, I let it melt and run down my cracks, then I grabbed the back of my fella's head and rammed it in there.

I could feel his tongue lapping away at my clit as I got wetter and wetter. Pretty soon I was gushing away, flooding his tongue with my cunt juices, mixed with premium Dutch chocolate.

Then I turned around and scooped up a handful of French vanilla and lubed myself up to receive his lovely big cock. He fucked me long and hard while I licked all the various flavours off my fingers, then when he came in my mouth I couldn't tell the difference between his spoof and the ice-cream.

They were both pretty tasty, but.

MUDDY HELL!

ME AND my girl Jan had signed up for a horse-riding holiday down in the Snowy Mountains without realising it was pretty serious bush-bashing and sharing tents the whole time, which left us seriously horny and wanting to get away on our own for a fuck.

One morning when we'd been given our riding instructions for the day we deliberately lagged behind and rode away from the rest of the group towards a dam marked on our map.

It was stinking hot, so as soon as we saw the water we stripped off our clothes and went to jump in – only to discover it was mostly mud and algae! It was still refreshing but, and after we'd wallowed around in the shallows for a little while we both started to feel each other up.

Next thing I knew Jan's on her knees in the mud sucking my cock, so I reached over and started fingering her hot little cunt, which was getting hotter and stickier by the minute.

I manoeuvred around until I could enter her from behind and started to fuck her slowly and steadily, each thrust making a weird sucking noise in the mud.

We started slipping and sliding around, and it was hard to keep it going, so we climbed up on the bank and Jan, still covered in mud and algae, climbed on top of my dick and fucked away like crazy.

She was really giving it the full Monty, but I could see we were going to get sunburnt so I rolled us over back into the mud so we could get messy again.

We fucked in the mud again for a while, and I heaved handfuls of the black mud onto her back as I did her doggy style. It was like being primitive animals at the dawn of time.

I love a good mud fuck!

EVERY now and then you get a chance to bust out and do something different so when I won a radio competition for a weekend away at a five-star hotel with all expenses paid I was ready to experiment.

To go with me I asked this chick who was a fuck buddy I knew would love the decadence of it all, and as soon as we checked in we were into the fridge to see what we could use.

We found some champagne, some chocolates and some raspberry jam, so we got a bit pissed and started playing with the edibles.

We were lying naked on the bed and I started pushing these pricey chockies up her snatch. I'd got about four up there when she said, "Now you'll have to eat them out," so I went down there and started slurping the melting chocolate from her meaty vadge.

She was loving it as I ate her out, and then she grabbed some of the packets of jam and squirted them all over my cock.

Using her lips and tongue, she smeared it from my ball-sack to my knob and then deep-throated me until she cleaned the whole lot off again.

Then she reached over and rummaged around in the fridge until she found some cream, which she poured all over me and used as lube to mount me cowgirl style and ride me until we both came.

I was ready to call it quits, but she was unstoppable – she grabbed some packets of butter and used them to grease up her back passage, and then guided my cock up her arse.

After I blew a second time up her date she proceeded to lick all the tasty stuff off me and went to sleep with my dick in her mouth.

THE FILTHIEST AMATEURS FROM AROUND OZ!

IVY // 25

BLUE MOUNTAINS, NSW

Ivy, 25, is leaving her day job to go full time into porn. “I’m a blowjob queen and my performances are focused mostly on giving mindblowing head.” ***Sounds a fine talent to share.*** “I like a good face-fucking, deep-throating and gagging. I’ve done some full sex scenes as well and I’ll soon be doing my first anal performance. I really want to get into kinky porn and gang bangs in the future, as it’s what I enjoy in my personal life.” ***How big a group are we talking, here?*** “The most cocks I have had at one time is about 10. I didn’t really count. It was a gangbang at one of the swingers’ clubs in Sydney. Hands down, it was the most pleasurable sexual experience of my life. I squirted for the first time.” ***What is the weirdest thing someone has asked you to do in bed?*** “He was dressed in a frilly maid’s outfit and a leash and collar. It was his birthday, so his dominatrix had a huge, pink frosted cake for him. She slammed his face in the cake and then ordered him to slather me in the cake, and then lick it all off while oinking like a pig. Then he fucked me with a strap-on and afterwards begged us to kick him in the balls with our stilettos while he cleaned up all the cake off the floor using his mouth.”

VIOLET // 27

NEWCASTLE, NSW

When she isn't flat bikkies looking after animals at work, 27-year-old spunk and CHAMPION Violet is busy helping out blokes in need. "I love spontaneity and seeing a guy come." ***And where should this alleged coming take place?*** "Oh, there are so many choices." ***It's always good to have options, Violet… but if you HAD TO CHOOSE?*** "Well, if I really had to narrow it down and choose, I would probably go with either all over my face and glasses, or nice and deep down my throat while I swallow it all and watch the sheer look of pleasure on his face." ***You know what… When you put it that way, we're kinda having a HARD TIME deciding as well… Ever been to an orgy or a swingers' party?*** "No, I haven't been to an orgy or a swingers' party. YET. It is definitely on the to-do list, though. I'm not entirely sure what I specifically will like about orgies, but I imagine it will be raw, carnal, fun and ravenous sex."

CHERRIE // 22

BRISBANE, QLD

Student Cherrie, 22, is taking a break from her medical degree, so she needs something else to occupy her super-brainy mind. Luckily she has found just the thing – backdoor action. "I started experimenting with anal play using toys and rimming. I am using a vibrating butt plug. I like that with the vibration my partner can get more enjoyment as well." ***Were you surprised you enjoyed the back end fun so much?*** "Not surprised, but it's just not what I thought it to be." ***Have you gone all the way and put your bloke's tocko up there yet?*** "I haven't had full anal sex yet, 'cause my partner is big and still easing into it." ***Will he get it up there eventually?*** "Yeah, one day." ***What do you like about having a bloke with a baby's arm swinging betwixt his legs?*** "I like that it is always ready to go." ***With access to your rusty sheriff's badge on offer, it is little wonder he is on such high alert.***

VANETTA // 21

ADELAIDE, SA

"Last week I had a night of pure passion," says inked-up Vanetta, 21. ***Tell us more.*** "What started out as an innocent massage turned into a long, hot, sexy fuck-fest that lasted 'til morning." ***Sounds tiring. We hope you didn't have too much on that day.*** "We did it all kinds of ways and used a whip, which was pretty hot. I love long sex that has heaps of different positions. It's so hot to get creative." ***Does massage usually lead to all-night fuck-fests? Or even just sex?*** "Sometimes. But not as often as I'd like it to."

Quite how anyone massages you without suggesting it is time to ditch the oils and start rooting wildly is beyond us. Who was doing the massaging? "I started it to get him in the mood, but then switched around. Touching can be a turn-on, especially where you aren't usually touched." ***What is the one thing every guy should know how to do in bed?*** "He should know what his assets are and how to use them. Also, how to go down on a chick. That is the biggest turn on. I love a guy who loves to go downtown."

KANDY // 19

NORTHBRIDGE, WA

In the age of smart phones, nude selfies are being taken by hot sheilas more than ever before. And Kandy is one of them. "I send nude selfies to my exes," the 19-year-old bartender giggled. "It's just to annoy them and be a tease." ***Tease us all you want. Ever been sent dick pics?*** "Yes, many times. It's not the biggest turn on unless it's right in front of me, then it's a massive tease." ***Now YOU know how it feels. What's your type?*** "Girls with a nice arse to grab and guys with cheeky personalities and big arms." ***Do you like anything else big?*** "As long as it fits, size doesn't matter." ***Phew. What's the best way to get you off?*** "The best way is for a guy to go down on me with ice and if he has a tongue bar it's even better! I like it rough, and with ice it makes everything feel more amazing when giving and getting head." ***And your favourite sex possie?*** "Doggy style while being spanked and getting my hair pulled."

"I'm getting better at making my own porn"

MYA // 31

SYDNEY, NSW

When she gets back from a hard trip down the shops, 31-year-old Mya likes nothing better than to get the video camera out and the undies off. "I'm definitely getting much better at making my own porn." ***What makes a decent home-made skin flick?*** "Trying to make a sexy face never works. Lots of eye contact with the camera and lots of smiles both help. And you definitely need good lighting so you can see everything that's going on." ***Where should the guy come; outside you or inside?*** "Outside. Unless you're making a love-making video, and that would be boring." ***Where should the leading man come? On your bum? Boobs? Face?*** "Not my face. It always gets in your hair. Boobs or bum are definitely better." ***Are you looking for a new camera operator? We have an office full of potential Hitchcocks here.*** "We set the camera up or take turns holding it. I kind of only like two in the bedroom." ***Any chance of swapping footage with another videolicious couple?*** "That's not a bad idea. I'm not sure how I'd approach that; 'hey mate, any chance you've got a home-made porno knocking about you don't mind us getting horny to?'"

SASHA // 26

DARWIN, NT

The bible-bashers say that idle hands are the devil's playthings, so it's good to have hobbies. But when we asked unmarried Dutch stunna Sasha what her hobbies were, the god-bothering folk might not have been too impressed. "Boys, cuddling, and sex," the 26-year-old boasted. "And cooking, nature, and art." ***Tell us more about your first three hobbies.*** "I like a man who can express his feelings. Also he has to have intelligence and looks. And he has to be ready to have rough sex with me so I can let a bit of my darkness go." ***What's your favourite way to let the darkness go?*** "Doggy style anal and face-fucking. Both go deep, and both feel nice." ***For both of youse! What about dining at the Y?*** "Face fucking is way better! I don't like pussy licking that much, not yet." ***Fine by us. D'ya like threesomes?*** "I've tried it a few times, but usually one guy backs out and cannot perform. Pussies. I hope to go for bigger groups now." ***Go for gold, Sash!***

"Face fucking is way better"

JADE // 20

SYDNEY, NSW

JADE here is a RARE GEM. She's an apprentice mechanic, who fixes cars and fucks on top of them. "Sex in a car is good, but on the bonnet's better," she PANTS. "It's fun at places like lookouts and drive-in movies." ***Reckon you might distract a few people from the pictures.*** "Yeah, but they get a free porno." ***What do you do when you aren't working on a donk, or HAVING A BONK?*** "Hang out with friends, dancing and drinking. We don't get back until the sun comes up." ***What kind of bloke do you like to BUMP UGLIES with?*** "I like someone who's older and rugged, like a tradie, who's into motorbikes. He should be dominating, and know how to take control." ***Do you like to get kinky in the sack?*** "I like getting thrown around in the bedroom, and I like being tied up. Sometimes I'll tie the guy up and do a striptease." ***What's something OUT THERE you've done recently?*** Going out and clubbing with no undies on. You get a bit nervous."

SOPHIE // 20

BALLARAT, VIC

Size matters. Just ask 20-year-old gym worker Sophie. "I got some new toys the other day." ***Tonka?*** "I bought a few big dildos to use in the bath and the shower. And a dildo that is 20 inches long." ***Surely that is the biggest you have.*** "Yeah, it is my biggest one. I love the idea of a challenge and the big ones get to all the good places." ***What else big gets up there?*** "As well as a few threesomes, I recently had my first BBC." ***You put a TV series with Penelope Keith up you?*** "Big black cock. We met in a club in Melbourne and it happened at my place. I am thinking of making our catch-ups a regular thing." ***As long as he is not intimidated by 20 inches of serious competition.***

CHELSIE // 27

MELBOURNE, VIC

"I work as an erotic masseuse," says 27-year-old Chelsie. "I like it sometimes, depending on the client." ***You must have, erm, dexterous wrists.*** "Well, a good erotic massage involves using the magic of your hands to combine relaxation with sexual relief." ***And good hand jobs.*** "Yes, I am told I give a good hand job. And blow jobs have been a talent of mine for as long as I can remember. And men love me on top and in the doggy-style position, as they love to watch my face and my womanly backside." ***Just guys?*** "I have kissed a fair few women and been fingered by a woman, but never reciprocated, to be honest. Women just don't turn me on. Kissing is fun with anyone, though." ***And hand jobs. They're fun. What is the most outrageous thing you've done, sexually?*** "The most outrageous thing I've done is a threesome with two men; one penetrating me from behind while I was giving the other oral and being filmed simultaneously. And I've used a dildo on a guy."

ALMA // 24

SYDNEY, NSW

"Yes I'd say I am quite the exhibitionist," admits 24-year-old Alma, unsurprisingly considering she is naked in a magazine. "It's taken time, but I've come to like my curves very much. I don't think exhibitionism is an egotistical kind of thing, I think it is a bit more complex than that." ***Are you willing to do porn style poses next?*** "We will see how it goes, but at this stage a saucy set somewhere down the line is on my mind, so it's likely. Don't tell my mum." ***Let's hope she's not a subscriber. What sort of porn and erotica gets you aroused the most?*** "It depends on my mood. I like all sorts, from BDSM to bisexual and gay, to slow and sensual, and literary erotica. I think I especially like situations where the man takes control, and also, I'm a sucker for moaning men." ***What gets you off about watching guys at it?*** "I'm not too sure, it just evokes a natural sort of arousal in me. Might be all the grunting." ***Ever made your own porn for personal use?*** "Yes I have, I'm a kinky little thing." ***You didn't hear that, Alma's mum.***

Everyone goes through a few sexual obsessions during the course of their lives. Some of us are obsessed with boobs for a bit; others with arses. Or, in Allegra's case, MULTIPLE COCKS. "When I was 19, I was obsessed with threesomes," the 21-year-old stunna confessed. "At one point, I would only ever fuck two guys at once." ***You must be quite the sexual athlete, then. What are your secret talents?*** "One of my well hidden talents is that I'm a pretty good ping pong player." ***Kinky. What gets you in the mood?*** "I'm a very horny girl, so I easily get in the mood at the most random times! Once in a mall I got so horny I masturbated in a change room." ***What's your favourite way to COP A LENGTH?*** "Me on top! I like to be in control. I know I will come 100 per cent of the time this way." ***What type of person do you go for?*** "I like guys who are confident and can make me laugh. And they've gotta be willing to be adventurous." ***Does tockley size matter?*** "I'm not sure. Maybe I have been lucky and have only slept with guys who have decent sized cocks." ***Wait 'til you meet us.***

JACQULIN // 23

GOLD COAST, QLD

"I've made plenty of things on camera with my fuck buddies," confesses screen siren Jacqulin, 23. "The best one would have to be when I gave my fuck buddy at the time an amazing blowjob and he came in my mouth. It dripped down into my tits and looked hot. Then he bent me over and smashed me from behind until I squirted all over him. Then he fucked me up the arse and made me come again. I've still got it because it looks that naughty. It's too good to delete." ***Send it our way.*** "Ha." ***Looks like you enjoy a nude dip?*** "I once fucked a lifeguard in the water while he was on duty. I've had a threesome in the water with a guy and a girl. We ended up getting busted by the girl's boyfriend, but that didn't stop us." ***He didn't just join in?*** "It was his loss; party pooper." ***What is the best sex advice you have?*** "My best tip is swallow – don't spit. And when you are licking out a chick out, finger her as well. It feels way better."

BELLE // 28

GOLD COAST, QLD

If you're ever lucky enough to score an invitation to Belle's bedroom, be prepared to hold on tight and have the ride of your life! "I like to go on the bottom and use my powerful legs to put my pelvis in just the right position," the 28-year-old ironwoman enthused. "Make no mistake, I'm always in control." ***What sorta fellas get a crack at ya?*** "He's gotta be tall, adventurous and very fit." ***Would you root a bloke who spends his days eating meat pies and wanking?*** "No." ***What about women? Do you like them?*** "Yes. I once went to a sex club with a guy I was seeing, and we hooked up with another young couple. I ended up going down on the girl while the boys stood around watching." ***So, do you actually know anything about bikes?*** "Yeah, I'm pretty heavily into riding dirtbikes. I certainly don't need a man to change my oil or anything." ***Sweet. Where's the bestest place you've been fucked?*** "I had sex at Etihad Stadium in Melbourne, surrounded by 50,000 people. We were at a concert, feeling horny, so I just I just hitched my skirt and we went for it right in the middle of the grandstand. I certainly enjoyed it!" ***And the crowd goes wild!***

ALEXIS // 20

ADELAIDE, SA

"I'm a complaints manager and I love my job," says 20-year-old Croweater Alexis. "I posed for you guys because my job is quite professional and it's great to let your hair down and have some fun." ***What is the most absurd thing someone has complained to you about?*** "The most absurd complaint was someone wanted a free holiday because their seat was uncomfortable; I work for a flight company." ***Is 'fuck off' on your list of acceptable replies?*** "No I'm quite nice to my customers. I take my stress out in other ways." ***Is masturbation a good way to eliminate work-place angst?*** "Most definitely. But I prefer a bit of rough sex. I prefer to be roughed up – being pushed down and bitten are my two favourite things – but I don't mind doing the roughing up if that's what the person likes." ***We're sure they'll take whatever you hand out – and have no complaints.***

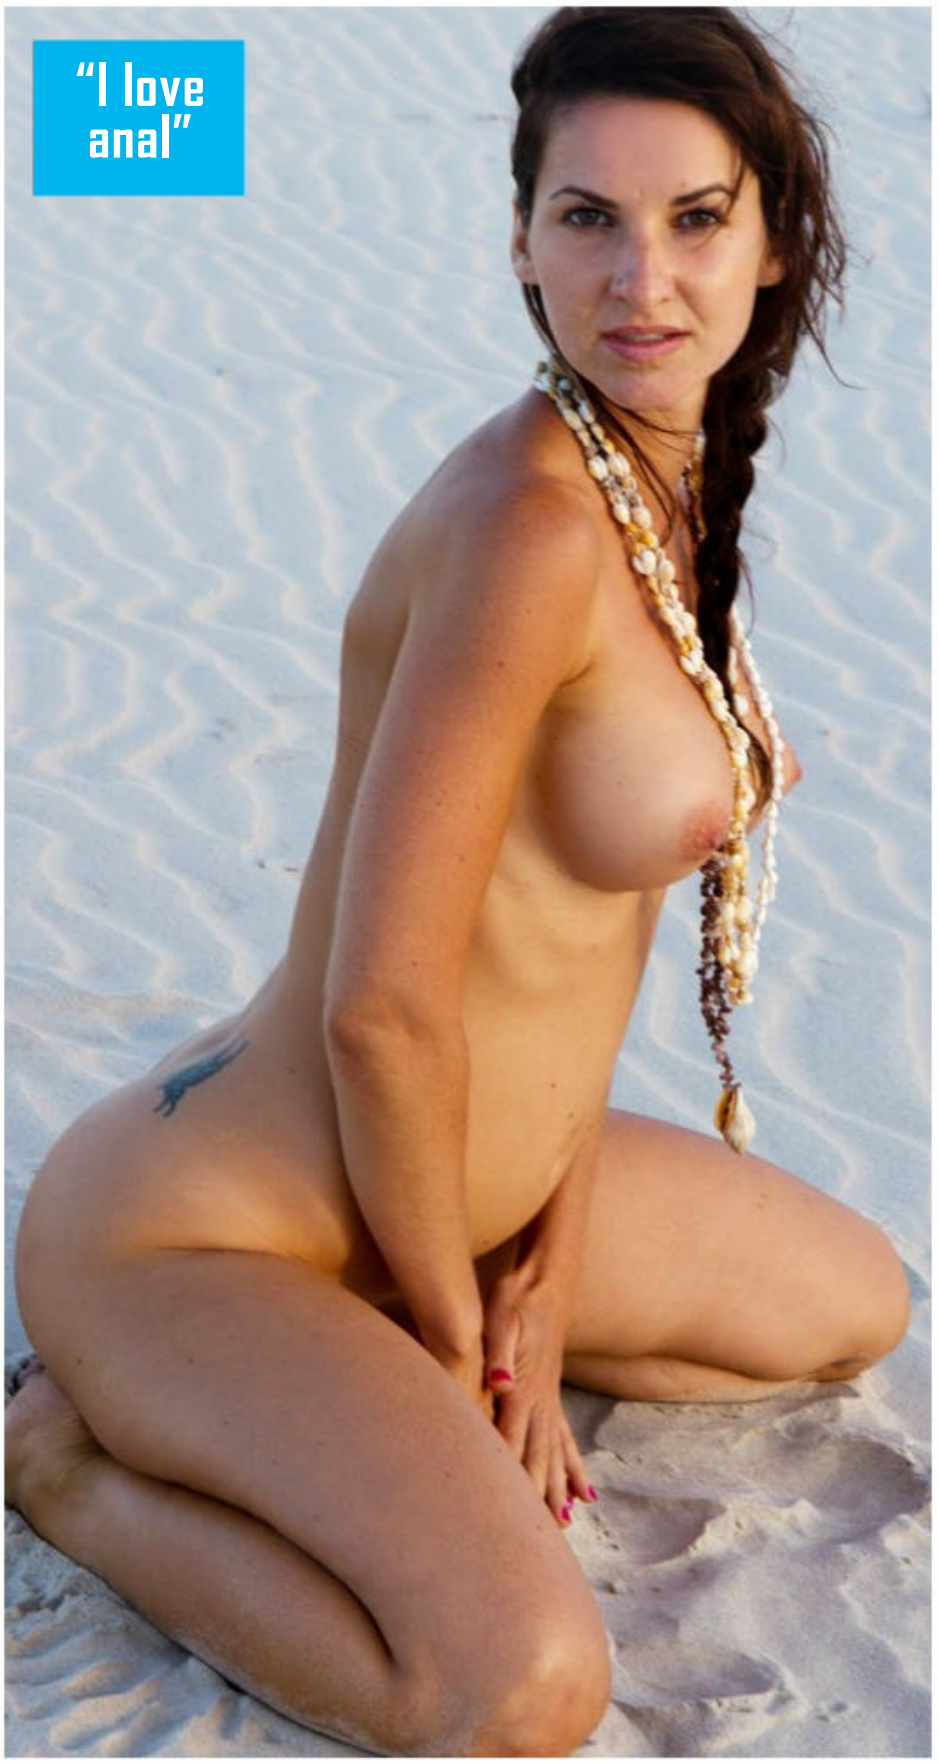
ALICE // 22

BRISBANE VALLEY, QLD

If you are the lilly-livered type who stands aside at doorways for the fairer sex, pulls chairs out for old dears, says please and thank you and always asks permission before jizzing in a lady's face, then pint-sized 22-year-old Alice is probably not the woman for you. "Because I am short and little, I love being dominated," says the dark-haired Banana Bender. "The man should be in control. I like him doing what he wants, when he wants. Things like throwing me around." ***Do you ever take the upper hand?*** "Sometimes, when I'm horny, I'll take control." ***This sounds fun. What do you get up to?*** "Ripping his clothes off and getting on top." ***Yep, sounds fun.*** "Rough sex is always more fun." ***Ever been so rough you've waken up in casualty?*** "Not that I can particularly remember. But I usually end up in all types of positions."



ISABELLA // 32

NORTHERN RIVERS, NSW

"Of course I have had sex outside," says "happy, loving and playful" 32-year-old Frenchwoman Isabella. "The latest was on this beautiful beach in the bush looking at the ocean. It was amazing." ***Do you worry about being seen?*** "I have had sex with others watching, during a foursome. I was having sex with the guy I was seeing while his friend and my girlfriend were watching, and then they joined us and we had fun, the four of us. I was 18 years old at the time and my lover was 35. They were my wild times. So much fun. I have also been with two men and me. That was also great fun." ***We'd like to catch a look at that.*** "I love making my own porn." ***What else in bed do you love doing?*** "I love anal, too." ***Sounds like you'll be getting a few letters!***

STACEY // 26

PERTH, WA

Clingy chicks can drive a bloke mental. So thank fuck Stacey ain't one of 'em. "I like men that work in mining or are working away from me," the 26-year-old merchandiser blurted. "It gives me opportunity to have Skype sex with them and watch them come. Then they can brag about it with their mates on site." ***Sweet! Are you looking for a bloke?*** "Nah, I'm in a relationship." ***What's the best pick-up line you've ever heard?*** "A bloke came up to me and asked, 'Wanna come with me now and we can skip the Rohypnol?'" ***Did ya root him?*** "I can't remember. Ha!" ***Erm… What gets you in the mood for sexual relations?*** "Dick, just heaps of dick. If you wanna get me in the mood just get your cock out." ***Good advice. How does it feel to go in the PICTURE?*** "Not as good as getting some dick. That's for sure." ***We'll have to take your word for it, Stace.***

KIMBERLEY // 19

SYDNEY, NSW

"I masturbate every day, preferably in the shower," says bootylicious 19-year-old Finn Kimberley. ***Sounds a good hobby.*** "My hobbies are running, masturbating and keeping myself healthy." ***Same as us. Well, without the running and the healthy stuff.*** "My big turn-ons are guys or girls who smell good." ***What should they do once the odor gets you going?*** "Teasing, foreplay and biting my neck and nipples. And what drives me wild in bed is definitely rough touching and S&M." ***We assume you don't mean scrapbooking and macramé.*** "I like a little pain every now and then. It's funny, because I often act and look very sweet, but in bed I'm everything else." ***Do you like to put on a show?*** "I once had sex with people watching. We were trying to hide it, but I'm pretty sure they knew. It was in a studio apartment and the bed was in the same room where everyone else was. It really turns me on when you have a risk of getting caught."

PHOENIX // 26

"I love posing for THE PICTURE," says inked-up regular Phoenix Roze, 26. "There is nothing better than being naked and nothing hotter than knowing Australia is checking out my rack. What a turn-on." ***So those magnificent chest puppies are no strangers to the light of day?*** "Well, I don't feel sorry for my neighbours, as they have a great view. I am always naked. I am definitely an outrageous person. I must say I loved giving head at the local bus stop. There is nothing like the feeling when you are about to get caught for something naughty. Nothing like public sex and putting on a show." ***Maybe you should fuck someone on stage?*** "I haven't gone that far. YET. You never know what tomorrow brings." ***What about mixing it up with more than one person.*** "I've had a three-way with two other girls. It was hot, hot, hot and wet. I managed to get a girl on each end of me. Girls know what girls like, although I've had great head from guys, too. There is just something sexy about girl-on-girl." ***You don't say. We'll have to look into this phenomenon a little more closely.***

PEARL // 30

NORTHERN RIVERS, NSW

"It's always fun having sex on a boat," says 30-year-old porn fan Pearl. ***It's always fun having sex* off *a boat, too.*** "It's fun because it is an uncontrolled environment. You never know what is going to happen. I had sex on a 15-foot boat on Sydney Harbour on Australia Day. The harbour was choppy from all the other boats, so the best position was reverse cowgirl."

Did the harbor cops see you? "We got caught by a boat full of gay blokes. They weren't interested." ***Was this your first nautical kit-off adventure?*** "No. My boyfriend and I went up our local river and we shagged each other on the floor of the boat. Got fish scales all over us. Loved it." ***We won't ask about any trips you take pig-shooting.***

MONIQUE // 23

SUNSHINE COAST, QLD

Since moving to Queensland, 23-year-old Monique has been giving her skin a good airing. "I like going nude on the beach – or maybe some topless action in the surf. The water on your body is so soothing, I forget I'm naked." ***What about sex on the beach?*** "I haven't tried that yet, but I would like to do it once. They had better bring a huge towel; I don't like the idea of getting sand in my arse." ***Do you like to put anything else in your arse during sex?*** "I'm not a huge fan, but if a guy has a kink for it, I will allow some sex toys and some penis insertion." ***Very charitable. What other toys do you like using?*** "When it's just me, the classic rabbit vibrator. Vibrating cock rings are alright, too. I am really getting into rough sex, so small whips and ties for my hands are awesome, too." ***Keep experimenting, Mon!***

"I had both my holes filled"

SOPHIE // 19

BALLARAT, VIC

"My biggest turn-ons at the moment are male strippers and BBC porn," says 19-year-old waitress Sophie. ***BBC? British viewers must be stoked.*** "BBC: big, black cock porn." ***No Steven Fry, then.*** "I love to watch porn. There are many categories that I enjoy and then there are some I just watch to laugh at. My favourite porn is gang bang porn, where I picture that it is me being fucked by multiple guys… one day." ***What else gets you off in real life?*** "I love it when a guy is eating me out but fingering me at the same time, I cannot hold it in when this is occurring." ***Which would you prefer to root, Hamish or Andy?*** "I would like to have them both. They both have a great sense of humour and you can have more fun with two guys. My first threesome consisted of me and two guys, we started off in the bath and ended up in the lounge room, where we played around for a few hours and had both my holes filled."

"We tried every position possible"

MEGAN // 24

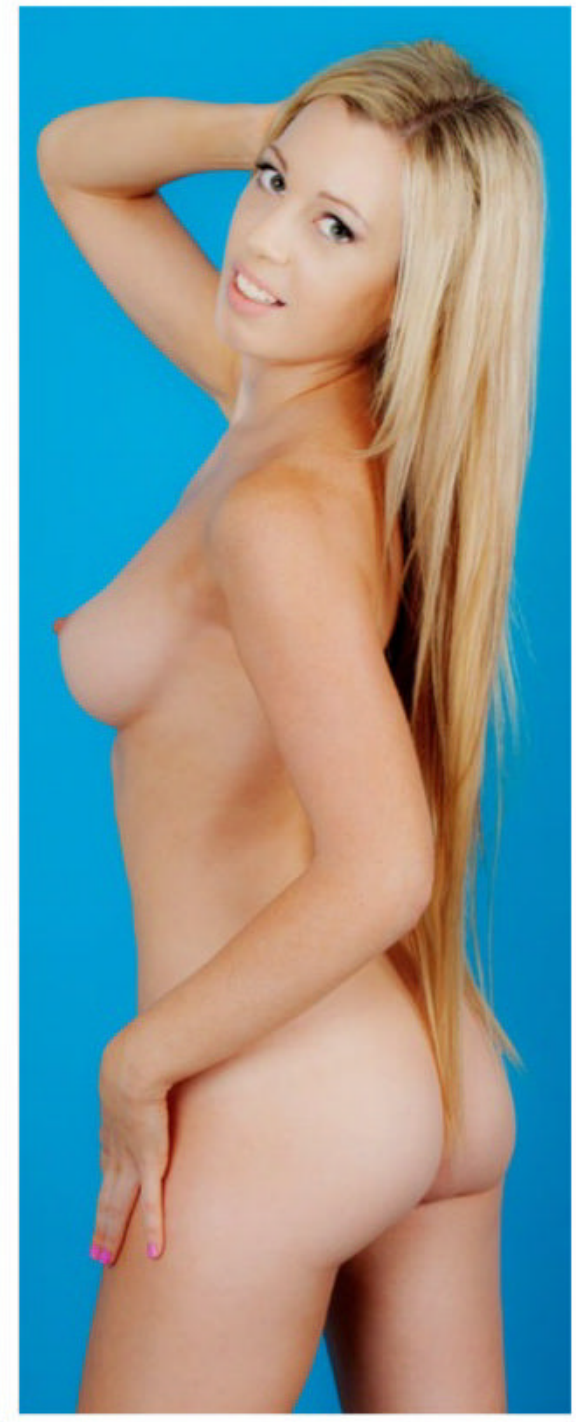
BRISBANE, QLD

"I had a threesome with a couple I met whilst working," says gorgeous Brit Megan, 24. "They asked me, although they had never done it before and I had. They were both good looking so it was a big turn on." ***Talk us through it, omitting no details. None.*** "I took the girl into the bedroom and we started first. I took control and made her feel comfortable before playing with her. The guy then joined in and we tried every position possible. They absolutely loved it. We ended up just chatting afterwards. Having sex with another woman was awesome. The thought kind of turns me on more than a guy sometimes, maybe because girls know which areas are sensitive on them, so they seem to be able to pleasure the areas better. A lot of oral is involved, which I love, and doing the 69 position is hot."

ALEXA // 24

SYDNEY, NSW

"I have a weird fantasy about being handcuffed and taken advantage of by a police officer," says 24-year-old waitress Alexa. "It's on my bucket list of kinky role plays to try in the future." ***That is a pretty perverse fantasy. We're not even sure they're human. Any other weird kinks?*** "One of my ex-partners and I used to film ourselves for fun, it was a real turn-on seeing the action afterwards from an angle you wouldn't normally get to see. I have a guilty habit of watching and reading porn every now and then, the right kind can really get me in the right mood. I like the type where the focus is the girl getting off. Most porn tends to target guys though which is a bit of a shame, as I like a good porno where the girl gets all the attention." ***Who would be your ideal costar?*** "Ryan Reynolds, for his amazing body obviously."



MISS POCKY // 23 & ALEXIS // 26

ADELAIDE, SA

For some reason, the site of Miss Pocky, 23, and her 26-year-old buddy Alexis cavorting around naked together has us thinking of porn flicks. **Miss Pocky:** "I like girl-on-girl porn. Nothing turns me on more than scissor fucking." ***Reckon you and Alexis would make a good lezzo porn flick together?*** **Miss Pocky:** "Hell yeah we would. I could imagine we would make it really softcore and cheesy." ***We imagine a few would prefer hardcore and raw.*** **Alexis:** "That would be fun. I like her perky breasts." **Miss Pocky:** "I'd go '80s style and wear merkins or something." **Alexis:** "My fantasy would involve spiral stair sex and rose petals." **Miss Pocky:** "Hoop earrings, a fluffy carpet and maybe a love heart-shaped bed that vibrates." ***Do you reckon luxurious '80s–style thatches of minge will make a comeback?*** **Miss Pocky:** "I hope so." **Alexis:** "It would definitely be a change. But not something I'm too fond of. I prefer shaved." ***Has anyone ever convinced you to do something really kinky?*** **Miss Pocky:** "Usually I am the one who does the convincing." **Alexis:** "I used to play around with S&M. I enjoy being spanked." ***We bet Miss Pocky can help with that.***

AMBER // 25 & JORDAN // 20

PERTH, WA

If Amber, 25, and Jordan, 20, got hungry during their shoot, they could always stop and have tea for two. The dynamic duo certainly have done in the past. **Amber:** "I used to flirt with Jordan viciously. I had no idea she was into girls. One night I was upset and drunk and she took advantage of me." **Jordan:** "I hardly took advantage. She was giving me signals. She was pretty much asking for it." **Amber:** "Many other after-work sleepovers followed." ***How are her tongue's skills between your thighs?*** **Amber:** "Jordan certainly knows what she is doing in that area." **Jordan:** "Practice does make perfect." **Amber:** "She is tentative in her actions, but when she looks at me with those 'fuck me' eyes, it is mind-blowing." ***Something else is blowing around the nation as we speak, girls.***

MEG // 22 & KIKI // 20

BRISBANE, QLD

Like all you readers out there, 22-year-old Meg is quite fond of the arse belonging to her 20-year-old friend Kiki. **Meg:** "I love her sexy bum. It is so round and perky. I love spanking it. The shoot was even more fun than it looks." ***How did she taste going down on her?*** **Meg:** "She was so sweet. Not like a strawberry, like her own sexy, sweet fruit." **Kiki:** "She tastes great and has such a cute little clit. Meg is great. She's really relaxed and playful." ***And what about the other hole?*** **Meg:** "Rimming is the best thing some drunk person stumbled upon. I'm guessing that's how it happened first. I love it. It feels amazing getting played with there." ***And, Kiki, what about you and tonguing the back hole?*** **Kiki:** "So long as it leads to other things I like…" ***What is the most outrageous thing you've done, sexually?*** **Meg:** "Having a crazy, 24-hour sex session that included bondage; whips, candles, anything went. It was so fun and messy. It was amazing." **Kiki:** "I recently had an all-girl threesome. I suppose that could be considered outrageous." ***We'll allow it.***

LOLA // 19 & AMBER // 19

MCLAREN VALE, SA

"My first impression of Amber was at a pub with a guy who was stuffing us both over," says Lola about her fellow 19-year-old buddy Amber. "I was wondering why someone that smoking was putting up with his shit." ***Come on then, Amber. What was going through your head?*** **Amber:** "Well, I knew he would buy me drinks." ***The classic excuse for just about anything in a pub. Which is possibly the only reason we drink. What do you have in common?*** **Lola:** "We both have D cup tits and a huge crush on Christy Mac." ***What would you do to her and her D cup tits if you had the chance?*** **Lola:** "I already have a double-ended dildo that I'd love to use when we have the time." ***Well, Amber, the challenge for you and your smoo has been set.*** **Amber:** "I absolutely would love that. And she could do anything she wanted to do to me. That girl is hot to trot."

KARMA // 18

ADELAIDE, SA

"I've read your magazine since I was younger and always wanted to be one of the girls in it," says Karma, who obviously isn't real up-to-date with age-appropriate reading matter. "Now that I'm 18 and have got a bangin' body, I thought I'd give it a go." ***Do you read it, erm, one-handed?*** "Oh, I have definitely had a finger bash sesh more than once while reading THE PICTURE. But I'd prefer a big hard cock deep inside me instead of my fingers. There is no good position to masturbate in, only good positions to fuck in. And doggy is my favourite. Or a dildo in one hole and massive cock in the other. DP is the best. ***Ever been filmed getting fucked hard?*** "Yes I have, many times. I love making home pornos. No-one does it as hard as I like it in the DVDs I have bought, so why not make your own?" ***Maybe don't say that so loud our advertisers hear you. What is the one thing every guy should know how to do in bed?*** "Eat pussy. I have had one too many men that I have had to teach how to eat my pussy."

LOGAN, QLD

"I want sleep with Colin Farrell," says 24-year-old Loganite Jordan. "After his porn movie, I have been obsessed." ***You reckon a few filthy pics get people hankering for more?*** "I like to have a few on my phone, so when I am sexting, I can show some off. It makes it that whole lot more fun and it drives men wild. And when they get wild, I follow." ***What gets you off in bed?*** "When your man softly presses his tongue up against your clit, only flicking it slowly. That drives me wild and it makes me thirsty for more. And I definitely love being dominated, so maybe getting handcuffed to the bed and blind-folded. The feeling of vulnerability and being manipulated to do anything by force turns me on. I love the tease and the lead up. Even talking about it turns me on." ***Glad we were of help.***

When she's not serving dinners, this 20-year-old waitress can rely on a good male friend when she needs a favour. Such as an extra side order of COCK. ***Ever had a threesome?*** "Yep, I had one with one of my best friends and another guy." ***That's what friends are for. What was taking on two guys like?*** "I did DP." ***BEAUT. How was that?*** "It was fun having the sensation of two dicks inside me at once." ***The guys weren't worried about crossing swords?*** "They were pretty focussed on me." ***Little wonder, you being so fucking hot naked and all that. So, you like it delivered anally.*** "Yep, I just like the feeling." ***We'll take your word on that one.***

I can come home after a big day and see my members are all happy." ***Plus they aren't wearing pants. Is there anything you only do off-camera?*** "I probably do more on camera.
